

# 15 Secret Starbucks Frappes You Should Order on National Coffee Day

By Emily Hochberg | September 29, 2015

Today is National Coffee Day and, if you're like us, it's a sacred day to savor a.m. sips. Because, let's be honest, we straight up despise human interaction before a first, nay, second cup o' Joe.

To celebrate, here's an entire "secret" menu of totally bananas concoctions (yes that also means a banana flavor) you can order at Starbucks. Why wait all year for a Pumpkin Spice Latte, when you could have been ordering a freakin' Cake Batter frappuccino this whole time?!

Here's what you need to know – and how to order it exactly – on National Coffee Day, or any day for that matter:

**Ariana Grande Frappuccino.** Mocha syrup, raspberry syrup, mocha chips, whipped cream, and caramel drizzle all blended into a Vanilla Bean Frappuccino.

**Banana Cream Frappuccino.** Order a Vanilla Bean Frappuccino with extra pumps of vanilla and hazelnut syrups, plus a whole banana.

**Cake Batter Frappuccino.** Order a Vanilla Bean Frappuccino, but add almond syrup flavor to it.

**Captain Crunch Berry Frappuccino.** Take a Strawberries and Crème Frappuccino and add equal parts caramel syrup, hazelnut syrup, toffee syrup, and java chips.

**Caramel Snickerdoodle Macchiato.** Order an iced soy caramel macchiato mixed with vanilla syrup and cinnamon dolce syrup.

**Chocolate Pumpkin Frappuccino.** A Pumpkin Spice Latte prepared with plenty of chocolate syrup.

**Cinnamon Roll Frappuccino.** A Vanilla Bean Frappuccino plus extra pumps of cinnamon dolce syrup.

**Cookies and Cream Frappuccino.** A double Chocolate Chip Frappuccino, made with white mocha sauce instead of regular mocha.

**Kit Kat Frappuccino.** A Vanilla Bean Frappuccino topped with mocha drizzle, java chips, mocha sauce, cookie crumbles, and whipped cream.

**Neapolitan Frappuccino.** A Strawberries and Crème Frappuccino layered with mocha and vanilla bean flavorings.

**Nutella Frappuccino.** A coffee Frappuccino plus mocha syrup, hazelnut syrup, and whipped cream.

**Raspberry Cheesecake Mocha Frappuccino.** A White Chocolate Mocha Frappuccino with raspberry and cinnamon dolce syrups, topped with caramel whip.

**Red Velvet Frappuccino.** Order a half White Mocha mixed with half of a Mocha Frappuccino, as well as raspberry syrup and whipped cream.

**S'mores Frappuccino.** Cinnamon dolce syrup, toffee nut syrup and whipped cream are added to a Java Chip Frappuccino.

**Valencia Orange Crème Frappuccino.** A Valencia Orange Refresher blended with a Vanilla Bean Frappuccino.

And that's just a sampling. Click [here](#) for a list of even more, not-so-secret Starbucks frappe hacks. Which will you order?
